

SOFTWARE SOLUTIONS FOR COUNTY GOVERNMENT

Software specifically designed for the Pennsylvania Election's Office

Features:

Professional-looking
Election Website

Precinct-level
Result Details

Flexible and
Easy Data Import

Powerful Election
Management

Maintain Historical
Election Data

TELEOSOFT's custom solution allows you to present your county's election results through a professional and informative website. Easily import data files from your election machine software. Your dynamic website automatically pulls the latest results. Quickly jump to the results you want to see, even at the precinct and school district level. Commissioners, election officials, campaign managers, and the public all benefit from colorful and easy-to-read percentage graphs and vote counts. In a time when budgets are tight and workload is increasing, the increased efficiency and productivity gains provided by CountySuite™ Elections will play a key role in making your office a success.
